

# Year 6 Home Learning Menu Autumn 2023

Every other week choose a different task from the list. Home learning is due in on a **MONDAY**.

1. Try a new fitness activity, then design a weekly workout plan for someone trying to improve their fitness.

2. Practice the Calm Me techniques we use in Jigsaw at home. Design a poster to promote it to other people.

3. Write a review of an African Creation Story.

4. Write a fact file about Nelson Mandela.

5. Create a poster describing how to use the different types of punctuation (brackets, commas, colons etc) with examples.

6. Write a poem based on South Africa.

7. Accurately measure ten items to the nearest mm, cm and m and record your results.

8. Follow a recipe with an adult at home making sure you measure accurately. Take photographs or write about the food you made.

9. Design your perfect bedroom. Find out the various items and calculate the total cost of decoration.

10. Design and create a mathematical snakes and ladders game that you can then play with your family.

11. Create an information poster/leaflet for one of the systems in the human body e.g the digestive system, circulatory system

12. Choose a country in Africa and research facts about that country. Think about your history and geography threshold concepts to help you focus your research.

13. Design a Benin bronze statue.

14. Compare modern day Nigeria to the Kingdom of Benin.

## Other Weekly Home Learning Activities

- Every week complete the maths learning and either a reading or GPS activity (posted on Google Classroom)
  - Daily reading recorded in the learning planner
  - Use mathletics and Times Table Rock Stars
    - Spellings due in on a **FRIDAY**
